WEBINARS SPEAKERS

We hosted 14 webinars where speakers and participants discussed all things Open Access, publishing agreements, working with technology partners, the author experience, and much more.

With different professional backgrounds and interests, 34 passionate speakers shared their expertise and perspectives on the publishing journey.

1500+ 50+ MIN.

PARTICIPANTS ENGAGEMENT

More than 1500 individuals were interested and joined us in lively discussions and learnings across the publishing industry.

Approximately 70% of participants stayed engaged and active for more than 50 minutes of each one-hour webinar.
